Your story starts from 3pm the day before your wedding for any prep & rehearsals. Whether you are bringing in your own florists and stylists or doing it yourself, our team will be on hand to ensure your chosen structure is perfect.

The Night Before

Spend your last night as "singles" under the canopy of the stars. Relax in a private hot tub or gather your wedding party for a low-key feast with our on site BBQ's. Knowing everything is ready for the big day.

The Morning Of

Use a Yurt as the ultimate bridal suite. Bathed in natural light (perfect for photos), it's your sanctuary. The Groom can head over to the best mans Yurt for some much needed support. Order champagne on ice.

Meanwhile, Guests Are Arriving

Your wedding party is arriving, enjoying welcome drinks and basking in the stunning surroundings you have chosen for your big day.

The Ceremony!

Your ceremony will take place in your favourite spot in our private 100 acres.

We will have seating out, a cleared walkway and a ceremony archway.

Canapés, Cocktails & Games

While you explore our gorgeous landscape for your first portraits, your guests can be well entertained; book garden games on the lawn, use catering that serves canapés and make the most of your in-house bar.

The Wedding Breakfast

When it's time to dine, your guests will gather in your chosen structure, for a bespoke feast. Your chosen caterers have full use of our professional Catering Tent (Booked in Advance).

Dancing beneath the moon

As the sun sets, our site manager will seamlessly transform your breakfast space into a dance floor and party. With everything on one site, there's no travel required—evening guests arrive to chilled drinks on the lawn before joining the party.

An aerial photograph of a river winding through a dense forest. The sun is low on the horizon, creating a warm, golden glow over the landscape. The river reflects the light, and the surrounding trees are lush and green.
