

Eavestone Lake

Two nights. One place. Time together.

*Wedding Venue
by Gwiltshire*

A place to *take your time*

At Eavestone Lake, your wedding begins the afternoon before and carries on into the slow morning after. For two nights, our wild woodland is yours: water, open space, open sky and spaces to be together.

Choose a ceremony down amongst the trees, high above the valley or inside the warmth of a yurt. Share food, gather by the fire and dance into the night. Then wake to still water, a wood-fired sauna and nowhere else you need to be.

The ceremony is at the heart of your stay. The time around it is what makes the experience.

To find a date that gives you all of this,
begin with our live calendar.

LICENSED LOCATIONS & *Celebratory Spaces*

Lakeside woodland

Exchange your vows in a private clearing tucked down the hillside of the Nidderdale forest, on the waters edge of Eavestone Lake. Beneath the trees, with shifting light and the sounds of the woodland around you, this is a quiet, natural place to pause and begin.

Lovers Seat

Perched high above the estate, Lovers' Seat opens across the forest canopy and rolling hillside. It is a wide-sky, intimate setting for a ceremony that feels open, simple and held by the landscape.

Ceremony Yurt
